

Kentucky Employer Support of the Guard and Reserve Honors Industrial Field Maintenance, LLC for Outstanding Support

Kentucky's Committee for Employer Support of the Guard and Reserve (ESGR) honored Stephen Story, owner of Industrial Field Maintenance for his outstanding support of the company's Adam Bailey, who is staff Sergeant in the Kentucky Army National Guard.

Story received the Patriotic Employer Award from ESGR, an office of the Department of Defense, Bailey made the nomination, noting that "Steve Story is the type of employer who has not hesitated or questioned why work needed to be missed for military purposes. He has always been supportive and understanding."

The Patriotic Employer Award is designed to recognize supervisors and bosses for support that helps National Guardsmen or Reserves serve our nation. Employer support can include such things as flexible scheduling, time off before and after deployment, caring for family members, granting leaves of absence when needed and recognizing and appreciating the employee's military service.

Bailey serves with Det 1- 149th Vertical Construction Company. ESGR was established in 1972 to promote cooperation and understanding between Reserve Component Service members and their civilian employers and to assist in the resolution of conflicts arising from an employee's military commitment.

THANK YOU FOR YOUR SUPPORT!

I wish to thank the voters of Bracken, Fleming and Mason counties for your vote of support in November.

As I said when campaigning in 2018, I have a real passion for the people, children and type of cases heard in District Court. Four years later, I still do.

Serving as District Judge for Bracken, Fleming and Mason Counties has been an honor and privilege, and I am looking forward to serving these communities for four more years.

Thanks again. Kim Leet Razor District Judge

Thank you to everyone for your help, support, and vote. I really appreciate it.
