

10 Reasons
International
Students Want a
UK Degree

UK

The United Kingdom attracts thousands of students every year highly reputed and globally [high ranked universities](#)

1. You're Desirable to Employers

A UK degree makes international students more desirable to employers and gives them an edge over other potential employees.

2. Variety of Degrees

International students can also choose different modules and types of education depending on their needs.

3. Affordable Education

As the duration of UK degree is less than other English-speaking countries, the education is quite affordable here

4. Reputation of Excellence in Academics

International students prefer UK degrees over other countries because these degrees are recognized and respected worldwide.

5. Shorter Degrees and Earlier Graduation

Studying full-time in the UK allows international students to finish their studies earlier than in other countries.

7. Work Opportunities

The United Kingdom allows international students to work (weekly 20 hours) while pursuing their degrees.

8. Graduation Immigration Route

The UK government has created the Graduate Immigration Route, a post-study work visa programme for international students who have graduated with UK degrees.

9. Access to Europe

Both plane and train travel are affordable and quick, and individuals can reach different European countries in hours.

10. High Student Satisfaction

85% of international students said they would recommend UK degrees to others, with their overall satisfaction being 91%.
